David,

On the Newhouse responses—

Are we going to respond to Q1?

On Q3, the question is regarding “Mine Engineers”. Do we have any? If we can be more specific in the response, e.g. 3 bachelors and 2 masters from the CO School of Mines, I believe that would be more responsive (if we can). Also, I’d suggest that we say that we had DRMS up there with us as a consultant on the project, and if the DRMS reps have engineering degrees, let’s call that out.
